Los Angeles, California 90012

Dear Commissioners:

**APPROVE AMENDMENT NO. 1 TO LOAN AGREEMENT WITH SOUTHERN
CALIFORNIA HOUSING DEVELOPMENT CORPORATION TO DEVELOP 72 UNITS
OF SENIOR HOUSING IN THE CITY OF BELL GARDENS (1)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve Amendment No. 1 to the Loan Agreement (Agreement), presented in substantially final form, between the Commission and Southern California Housing Development Corporation, a California nonprofit public benefit corporation (Developer), to increase the original amount of the HOME Investment Partnerships Program (HOME) loan by an amount not to exceed \$400,000, from \$2,385,393 to a maximum of \$2,785,393 in HOME funds, for increased construction costs and permanent financing of the Bell Gardens Senior Apartments, located at 6712 Clara Street, 7706-7712 Scout Avenue, and 7716-7720 Park Lane, in the City of Bell Gardens.
2. Authorize the Executive Director to execute Amendment No. 1 to the Agreement, to be effective following approval as to form by County Counsel and execution by all parties; and authorize the Executive Director to execute all necessary documents to subordinate the Commission's loan to permitted predevelopment, construction, and permanent financing, to be effective following approval as to form by County Counsel and execution by all parties.

3. Authorize the Executive Director to incorporate up to \$400,000 in HOME funds into the Commission's Fiscal Year 2006-2007 approved budget for the purposes described above.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to amend the Agreement between the Commission and the Developer, to provide additional funding to cover increased construction costs and permanent financing of the Bell Gardens Senior Apartments.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. Total development costs are summarized in the Financial Analysis provided as Attachment A.

Under the original Agreement, \$2,385,393 in HOME funds was provided for predevelopment, construction and permanent financing of Bell Gardens Senior Apartments as a 55-year, three percent simple annual interest loan, evidenced by a Promissory Note and secured by a subordinated leasehold Deed of Trust. This loan is to be repaid from residual receipts generated by operation of the property. Since the initial funding of the project in 2005, the total development cost has increased to \$14,870,596, due to increased construction costs. The current action will increase the HOME loan by an amount not to exceed \$400,000, from \$2,385,393 to a maximum of \$2,785,393, which will convert to permanent financing at completion of construction. The additional construction cost short fall will be funded by the City of Bell Gardens in the amount of \$250,000 and additional Deferred Developer Fees in the amount of \$70,000.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On April 19, 2005, your Board authorized a 55-year Loan Agreement between the Commission and the Developer, in the amount of \$2,385,393 in HOME funds, for predevelopment, construction and permanent financing of the 72-unit Bell Gardens Senior Apartments.

The Bell Gardens Senior Apartments will be located at 6712 Clara Street, 7706-7712 Scout Avenue, and 7716-7720 Park Lane, in the City of Bell Gardens. All of the units, with the exception of one two-bedroom manager's unit, will be reserved for seniors earning up to 50 percent of area median income (AMI) for the Los Angeles-Long Beach Metropolitan Statistical Area (MSA), adjusted for household size, as determined by the U.S. Department of Housing and Urban Development (HUD).

ENVIRONMENTAL DOCUMENTATION:

An Environmental Assessment was prepared for this project pursuant to the requirements of the National Environmental Policy Act (NEPA). Based on the conclusions and findings of the Environmental Assessment, a Finding of No Significant Impact was adopted by the County of Los Angeles on June 5, 2001. Following the required public and agency comment period, HUD issued a Release of Funds for the project on September 8, 2001.

As a Responsible Agency, pursuant to the requirements of the California Environmental Quality Act (CEQA), the Commission reviewed the Initial Study/Negative Declaration (IS/ND) prepared by the City of Bell Gardens and determined that the project will not have a significant effect on the environment. The Board of Commissioners' adoption of the City of Bell Gardens' IS/ND on April 19, 2005, and filing of a Notice of Determination, meets the requirements of CEQA.

IMPACT ON CURRENT PROGRAM:

The Amendment No. 1 will increase the HOME loan by an amount necessary to provide additional construction funding for the project, and will increase the supply of affordable special needs housing in the County.

Respectfully submitted,

for CARLOS JACKSON
Executive Director
